

# ROHS Compliance Certificate

---

## Evaluated design

---

Design File: ENERGIS\_Rack-PDU\_1.1.0.brd

Evaluation Date: 9/25/2025 12:44 AM

Total Components Evaluated: 442

Compliant Components: 274

---

## Evaluation Criteria

---

Each populated component is checked for the ROHS attribute. Accepted value is YES . Any component with a missing ROHS attribute or a value other than YES is considered non-compliant for this report. Components marked as DNI are excluded and listed as Not mounted.

---

## Final Statement

---

Based on the attributes present in the EAGLE board file at the time of export, this design is considered:

**NOT RoHS COMPLIANT**

---

This certificate reflects only metadata embedded in the project and does not replace manufacturer documentation.
