

2. W5500 Ethernet Configuration

Advanced TCP/IP Tuning

```
graph RL; A[Advanced TCP/IP Tuning] --> B[2. W5500 Ethernet Configuration]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow pointing from right to left. The box on the right is gray and contains the text 'Advanced TCP/IP Tuning'. The box on the left is white with a black border and contains the text '2. W5500 Ethernet Configuration'. A black arrow points from the right box to the left box.
