

2. W5500 Ethernet Configuration

Network Configuration
Defaults

```
graph LR; A[Network Configuration Defaults] --> B[2. W5500 Ethernet Configuration]
```

The diagram consists of two rectangular boxes. The box on the right is gray and contains the text 'Network Configuration Defaults' in two lines. The box on the left is white with a black border and contains the text '2. W5500 Ethernet Configuration'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or flow from the defaults to the specific configuration.
