

get_tempSensorVoltage

```
graph LR; A[get_tempSensorVoltage] --> B[MeterTask_GetSystemTelemetry]; B --> C[Storage_EnqueueErrorCode];
```

The diagram illustrates a three-step process flow. It begins with a gray rectangular box containing the text 'get_tempSensorVoltage'. A blue arrow points from this box to a white rectangular box with a black border containing the text 'MeterTask_GetSystemTelemetry'. Another blue arrow points from this second box to a final white rectangular box with a black border containing the text 'Storage_EnqueueErrorCode'.

MeterTask_GetSystemTelemetry

Storage_EnqueueErrorCode
