

storage_save_preset

```
graph LR; A[storage_save_preset] --> B[Storage_Config_IsReady]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text 'storage_save_preset'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'Storage_Config_IsReady'.

Storage_Config_IsReady
